# About Us

At **Azafrán Estigma Rojo**, we have been cultivating and producing premium saffron for three generations, more than 300 years!. Our family has preserved the traditional methods of saffron farming in the heart of Castilla-La Mancha, ensuring that every thread is a product of passion, dedication, and expertise passed down over the years. Each step of the process, from planting to harvesting, is carried out by hand to guarantee the **purity, aroma, and unmatched quality** that make our saffron one of the most exclusive on the market.

# The Uniqueness of Our Saffron

- **Limited Production:** We produce only 1 to 3 kilograms of saffron per year, ensuring exclusivity and attention to detail in every strand.
- **Handpicked & Handmade:** Each stigma is carefully harvested and dried by hand to maintain its potency and preserve its unmatched color and aroma.
- **Sustainable & Traditional Practices:** We honor centuries-old methods that respect the land, ensuring a natural, chemical-free saffron of the highest quality.
- **Certified Quality:** Our saffron is graded and tested according to the highest international standards, offering unparalleled purity and flavor.

# Customer Reviews

## Rubén GR

Top-quality saffron with an amazing aroma and flavor. I highly recommend it. I was a bit hesitant to order 4 grams online, as I'm not used to buying spices that way, but I'm so glad I did. The company is reliable, friendly, and very prompt with shipping.

## Paloma Barrionuevo Ruiz

The customer service is amazing! They explain everything really well. The shipping was perfect, so careful, and the product is a 10. Spectacular!

## Tomas Rey.

I'm absolutely thrilled with my purchase. The quality of your saffron is exceptional, far surpassing anything I've tried from the supermarket. The customer service was equally impressive; they were very knowledgeable and helpful. I'm so glad I found your product and will definitely be a repeat customer.
